Commissioner for Patents

Dear Sirs:

Pursuant to the notice dated May 9, 2006, the Applicants enclose herewith a copy of the Fee Transmittal filed in the above-referenced application authorizing charges of any additional fees during the pendency of this application to deposit account 17-0055. Pursuant to this authorization, the fees due in the present case for filing an appeal brief and any associated extension should have been charged to the referenced deposit account.

Therefore, the Applicants respectfully request that the requirement for additional extension fees be withdrawn. No additional fees should be required. If any additional fees are necessary, authorization to charge these fees to the referenced deposit account has already been provided, and there is no need for any further authorization.

In sum: the \$250 fee for filing an appeal brief should have been charged against the deposit account when the Appeal Brief was filed in January. No extension fee was then

necessary, or is now necessary. The \$60 fee that was charged against the account was erroneous and should be withdrawn.

Thanks for your assistance. Please contact the undersigned if there are any additional questions.

Respectfully submitted,

Paul F. Laeseke, *et al.*
